Dear Tannia: How are you today? I followed your advice and decided to stay a little longer to relax and ride the wave. I heard your readers are curious about the exclusive interview I granted you.

By the way, very creative interview questions. I could tell you did your homework. I am hoping to send them back to you very soon. Some of my answers will be difficult to understand and accept but after all, who can handle the truth? Everybody search for the truth but is ill-prepare to face it.

Awaiting your reply
